

Car Benefit Policies

As companies focus on working toward a greener future, a car related benefit is not always a company car. Find out what is commonly offered in markets around the world to ensure you remain competitive.

Current release: June 2020 | Next release: June 2021

What's included?

- Policy overview
- Green policies
- Comp any-owned vehicles (including vehicle types and replacement policies)
- Company-leased vehicles (including vehicle types and lease duration)
- Car allowances
- Alternate transportation benefits (including personal car or driver, prearranged transportation or shuttles, subsidized or free parking, walking or cycling allowances, public transportation allowance or subsidy)
