

Employee Engagement Survey Toolkit

The employee perspective is a strategic imperative. Gather regular feedback from your workforce to make sure your leaders, managers, and decision makers aren't flying blind and your employees are engaged and connected.

Current release: November 2020 | Next release: May 2021

What's included?

Toolkit

- Learn about all phases of the survey process from designing a questionnaire to creating an action plan
- Access a selection of surveys, ready for you to program and launch, covering topics such as COVID-19 return to work; diversity, equity, and inclusion; mergers and acquisitions; workplace safety and more
- Usable content to guide and facilitate the entire survey process including sample emails, FAQs to share internally, checklists, presentations, and much more

Benchmarking report (updated annually)

- Data for more than 50 popular engagement survey questions
- Question library of best practices, guidance, and recommended actions

Use this **market coverage** guide to quickly identify the publications with data you may need. Need data sooner? **Talent All Access**® subscribers receive exclusive early access to many of our products.

A set of recommendations, practices, techniques, and templates to use as you plan your first employee engagement survey or enhance previous efforts to collect employee feedback.

- 1 How often should we survey our employees?
- 2 How do we ensure our survey is successful?
- 3 How do I analyze data from an employee engagement survey?

If you're familiar with the survey process, the benchmarking report should meet your needs.
