

Car Benefit Policies

Tailor your car policy to
the local market.

Discover which types of
transportation benefits are
commonly offered and who is
eligible to receive them.

Provide data at any time to access a
live summary of results; update your
submission if your policy has changed.

This is the perfect partner to:
Car Cost Report!

TAAP+ bonus

TAAP+ subscribers have exclusive access to an
interactive dashboard for monitoring trends
in green car policies!

What's included?

Car eligibility and benefit overview

- Eligibility by employee level
- Typical vehicle make and model
- Vehicle purchase price, monthly lease amount,
monthly allowance*

Car benefit policies

- Eligibility criteria
- Green policies
- Company-owned vehicle policies
- Company-leased vehicle policies
- Car allowance policies
- Alternate transportation benefits

* This will be moving to the Car Cost Report in 2022.

This product can help you:

- Create a new transportation benefit or review
an existing policy for market competitiveness.
- Determine which types of benefits you'll offer,
who will be eligible, and whether you'll cover
additional expenses.

What's new in 2022?

This product is moving to an online tool that
will allow you to create and download individual
market PDFs!

This product will soon be renamed
Transportation Policies!
